This training provides the participant with a variety of types of information. This may include information on State or Federal law regarding the rights of individuals with disabilities. While this is provided to inform or make one aware of these rights, legal definitions, or laws/regulations, it is not providing legal representation or legal advice. The participant understands that this is information to educate them not to provide them with legal representation.

WHAT WILL THE TRAINING COVER?

- Pyramid of student rights
- How Accessibility, equity and an appropriate program support a student with a disability
- How to improve accommodations, modifications and goals in a school services program
- We will reserve time for your questions.
