

Family and Community Engagement Chairperson

We are partners—families, teachers, and staff—working and learning together, advocating for a PTSA that is reflective of the needs of our entire community in our schools and district.

We seek to promote an enriching and supportive environment for all families in Northshore School District by recognizing and celebrating the needs of every member of our community.

Position Responsibilities:

- Promote programs to attract and increase inclusiveness and family and community engagement in Northshore Council PTSA and local Northshore PTAs
- Identify successful family and community engagement practices and communicate those practices to Northshore Council PTSA and local Northshore PTAs
- Inform PTSA decision-making processes by providing a community and inclusion-based lens
- Participate in PTSA general membership and board meetings, provide updates regarding community engagement opportunities
- Act as a resource to local Northshore PTAs on the topic of family and community engagement
- Collaborate with the Northshore Council PTSA Communications Team to publish regular updates regarding equity work in Northshore, community events, and equity resources on the Northshore PTSA Facebook pages, website, and newsletter
- Collaborate with the Special Education chair to coordinate inclusive efforts related to disability and neurodiversity
- Work with DEI Chairperson to ensure that a cultural calendar is created and maintained as a resource for the school community to increase learning about cultural holidays and events. Collaborate with school leadership and PTSA program chairs to ensure events are accessible and scheduled around major holidays.
- Responsible to the board of directors and to the membership for ensuring that programs and policies of the association reflect the needs of the membership
- Follow updates and activities of the WSPTA Council FACE committee to stay informed of State PTA FACE initiatives and share out resources, parent education events and trainings to the Northshore community
- Collaborate with neighboring school districts to support initiatives that promote inclusion and community building
- Work in partnership with Northshore Council DEI Chairperson to promote and amplify these practices
