

**Woodin Elementary PTA and the Northshore Council PTSA
Present
Parent Education Night:
Strong Start - Talking with Your Child About Puberty**

90 minute – 2 hour seminar for elementary school parents and guardians.

May 7th, 6:30pm-8:00pm at Woodin Elementary.

For parents and guardians of Grades 3-5. Free Childcare is provided for all potty-trained children.

Parents want to talk with their child about puberty, but may not be sure how to start or what to say. This seminar provides parents with information and skills on how to start conversations, what to cover at each age, and how to answer tricky questions. The physical, emotional and social changes of puberty are also reviewed to help parents feel better prepared and know what to expect.

Please RSVP to this event by visiting the Woodin PTA website Upcoming Events Section: <http://woodinpta.org> click on the RSVP link for the May 7th Parent Ed Night.
