Dear Sorenson Families & friends,

Welcome to the 2018-2019 school year. You may have wondered, "What does the PTA do?" On a state and national level, the PTA advocates for students, helps affect and even draft legislation on their behalf. Within Sorenson our focus is to create, facilitate and support events and programs that are fun, inclusive, supportive and foster relationship building between students, parents and the school community.

The events the PTA will be planning this year include a visit to the pumpkin patch, movie nights, indoor play date events, family fun night and silent auction and the end of the year carnival to name a few big events. The PTA also organizes staff appreciation lunches, organizes and purchases school emergency kits and other smaller school improvement based projects, such as our new reader board, campus and playground improvements, teacher supplies and equipment. We also spend many hours grant writing and procuring donations to help fund school improvements.

Please take a moment to look through this packet and consider becoming a member to help make this a fun filled year. Childcare is always provided for free at all Sorenson PTA meetings. Feel free to contact any of the board members should you have any questions. We hope to see you soon!
