## **CHILD INTERNET SAFETY**

---

### **WITH STEFANIE THOMAS**

**Co-sponsored by Woodmoor PTSA &  
Northshore Council PTSA**

**Tuesday, 2/12 6:30-7:30 pm in the library**

Parents/guardians....mark your calendars now for Tuesday, February 12th at 6:30pm in the Woodmoor gym. Technology and social media are constantly changing, capturing the time and attention of our children. We need to keep pace with the cyber world in order to keep our kids safe!

Woodmoor PTSA & Northshore Council PTSA are hosting a FREE Parent Education Night on Internet Safety with special guest speaker, Stefanie Thomas. Thomas worked 6 years on the Internet Task Force for the Seattle Police Department working both internet crime against children and the commercial sexual exploitation of children as a victim advocate. She uses this experience to educate parents about internet safety.

Please spread the word about this important educational evening for adults.
