June 30th to July 17th
High School Students CERT Course

Woodinville High School will host a 13-day Emergency CERT (Community Emergency Response Team) course from June 30 to July 17, running 8:00 AM–3:00 PM daily. This course is offered through the WANIC Summer Program and provides students with 0.5 CTE credit upon completion.

The course is open to all WANIC-area high school students, and no prior experience is necessary. Students will learn how to respond effectively during emergencies and develop skills that are highly relevant in both academic and career pathways. For more information or to register, please visit: wanic.lwsd.org

Date: June 30 to July 17
Time: 8:00 AM–3:00 PM daily
Location: Woodinville High School

TEACHERS *Light the Way* TO BRIGHTER FUTURES

MAY 28, 2025.
WOODINVILLE HIGH SCHOOL CERT

The Woodinville High School CERT Program is a popular elective. There were 60 students enrolled in two classes, and their CERT Final exam was Wednesday, May 28. Mrs. Danna Kapacinskas set up an exam where the students conducted a Search and Rescue, Lift and Crib, Transporting patients, Incident Command System (ICS) tasks, Medical Treatment Area, and a Live Fire simulation.

It's wonderful to see young people choosing to learn about emergency management and then performing very well during the simulation. The CERT program teaches many life skills that help people deal with an emergency, and these students at Woodinville High School have shown that they are prepared!

Thanks to our parent volunteer E-Prep PTSA chairs that did an awesome job of forming relationships with their school's emergency coordinators, administrative staff including Nurses, Principals and Vice Principals to assist our schools.

You made all the difference!
