Safety & Security

The safety and security of our students, staff, visitors and buildings is of the utmost importance. The Safety & Security team provides guidance and support to our crossing guard teams, emergency preparedness teams, safety committees and other issues that arise in the district. We work with local fire and police agencies, oversee compliance with state and federal regulations, provide building security, and more.

Preparedness is Everyone's Job.

Spring District Reunification Drill - Volunteers Needed!

Date: Wednesday, April 23rd
Time: Afternoon. Sometime between 1:00pm to 4:00pm, most likely at 3:00pm.
Location: Will be announced to participants. Don't worry, the location will definitely be inside NSD boundaries.

REGISTRATION IS REQUIRED!
Register early as there is limited space available. The more people that participate, the more it will emulate a real-life situation!

Northshore School District will be holding a practice reunification drill on Wednesday, APRIL 23rd and they need parent/guardian volunteers to help!

Adult volunteers can help practice and rehearse the NSD reunification process. No students will be participating in the drill. You will reunite with your cardboard student(s) in a simulated evacuation, ensuring the safety and well-being of everyone involved.

Please ensure you have updated ParentVue contact information so that you can successfully get your cardboard student ..... or your actual student in a real event!

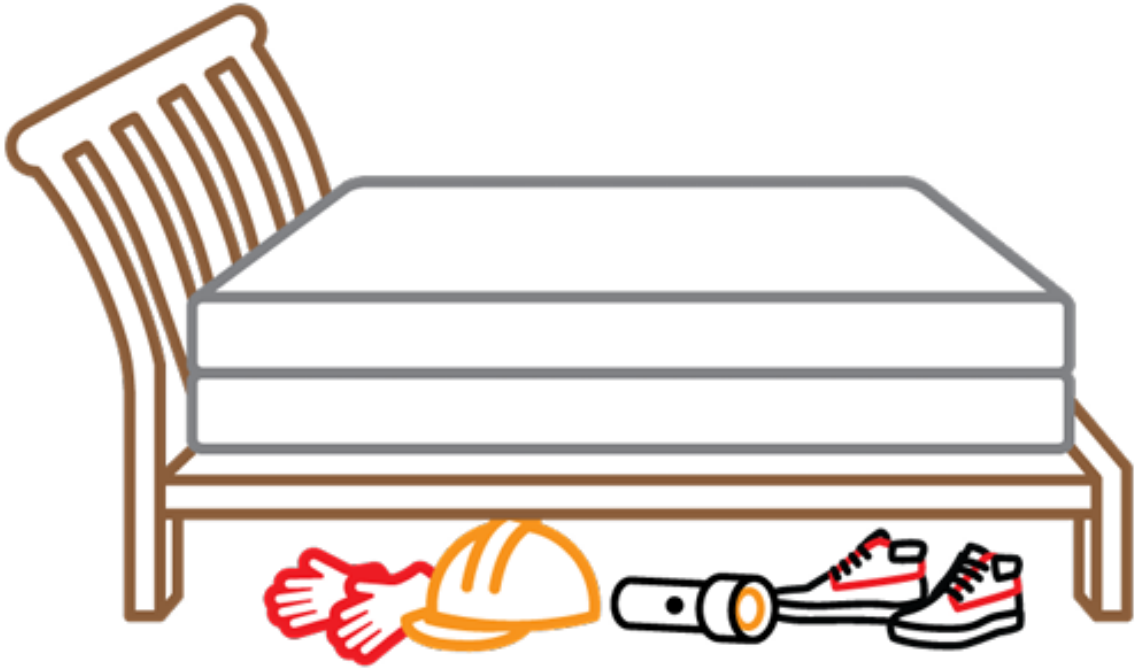
WHAT TO KEEP UNDER YOUR BED?



Day or night: Ready to respond

When disaster strikes, it may be difficult to think as rationally as in normal conditions. The more procedures you have in place, and the easier they are to remember and implement, the more effective and efficient will be your response. We recommend that you keep these basic response supplies under the bed. That way, day or night, you'll know where to go to get the essentials.

Critical Under the Bed Items

- Sturdy shoes — to protect your feet from broken glass
- Work gloves, preferably leather — to protect your hands from broken glass
- Flashlight & light sticks — essential for a nighttime response

QUICK TIP: Keep it simple. Instead of throwing them away, put your old tennis shoes or garden shoes under your bed!

Additional Recommended Under the Bed Items

- Hard hat — to protect you from falling objects like chimney bricks, and downed trees and branches. Bicycle helmets also work.
- An OK/ HELP card or a sheet of paper and marker for you to write on yourself.
- Tape or adhesive bandages to hang the OK/ Help card in the window or on the front door.
- Place a copy of your out-of-area contact card in a plastic bag.
- A whistle (to call for help).

QUICK TIP: Keep it simple. Instead of throwing them away, put your old tennis shoes or garden shoes under your bed!

HAM RADIO LICENSE

There is a Technician Training Class on
April 19 and 26, 2025, from 9 AM to 5 PM both days with a test
Location: Northshore Fire Station 51,
7220 NE 181st Kenmore, WA 98028

Will explain all the questions and share ham culture.
There is a very high pass rate.
The class is sponsored by the Mike and Key ARC.
To register, send an email to the contact person,
Daniel Stevens at KL7WM@aol.com with the dates of the class.

CERT TRAINING

May 3, 4, 10, 2025

The Community Emergency Response Team (CERT) is a FEMA-developed program that educates community members on disaster preparedness and hazards in our region. CERT trains you in basic response skills to hazards. Training includes utility and fire safety, search and rescue, Medical Operations and overall Preparedness.

Cost: Free
Dates: 3-day format, Saturday,
May 3rd, Sunday May 4th and Saturday May 10th simulation
Time: 8:00 am to 5:00 pm
Location: Kenmore Fire Station 51
Online Sign Up: **bit.ly/3I8fnBU**
Students will fulfill 24 hours of Community Service.

For additional information on this CERT Class,
