Safety & Security

The safety and security of our students, staff, visitors and buildings is of the utmost importance. The Safety & Security team provides guidance and support to our crossing guard teams, emergency preparedness teams, safety committees and other issues that arise in the district. We work with local fire and police agencies, oversee compliance with state and federal regulations, provide building security, and more.

Emergency Preparedness

Preparedness is Everyone's Job.

REUNIFICATION

April 25th, 10:30am to 11:00 am, the NSD administration staff will be conducting a reunification traffic management exercise at Pop Keeney Stadium. Parents are encouraged to quickly visit in their car. This will give the staff practice at traffic management. More information will be coming.

WEBLINK: NSD REUNIFICATION

NSD Reunification Process

In the event of an emergency, **do not rush to the school to pick up your child**. This will only create additional traffic that may impede needed emergency vehicles and your presence at the site could delay the evacuation process. Children and parents will be reunited in a safe, orderly and timely manner.

Should public safety officials call for the evacuation of a school, students and staff members may be safely **transported by bus to a designated alternate shelter location**. Students may be held at this alternate shelter site for various reasons until release is approved by public safety or health officials, depending on the circumstances of the event.

Students will only be released to those individuals authorized on the school emergency card. Proper identification must be presented in order for students to be released.

Método de reunificación de padres - Folleto
Méthode de regroupement des parents - Document
tariqat lami shamil alwalidayn – wathiqatan

Please take this opportunity to update the emergency contacts in ParentVue and consider including trusted neighbors or others that can respond to reunification sites in case your response is delayed by other emergencies happening in our region.

Emergency Preparedness
Northshore Council PTSA
Preparedness is Everyone's Job.

CERT

The Community Emergency Response Team (CERT) is a FEMA developed program that educates community members on disaster preparedness and hazards in our region. CERT trains you in basic response skills to hazards. Training includes utility and fire safety, search and rescue, First Aid, Active Threat Run-Hide-Fight and overall Preparedness. Teens obtain community service hours.

- 3-day Format: August 3/4 and August 10
- 7 week Format: Thursday nights from September 12 - October 24 from 6-9pm and October 26 for simulation NorthshoreEMC.com

Community Emergency Response Team (CERT) training for teachers, and administrators, will be offered this summer by NSD. CERT is a FEMA-developed program that educates community members on disaster preparedness and hazards in our region. **E-Prep Co-Chairs, Robin McKenzie and Lanea Miller, are asking local PTSA/PTAs, to reach out to the school administrators, and teachers, requesting that they participate in this summer's NSD CERT training**.
